

Partner Spotlight

James McQueen, Pantry Manager Lighthouse of Oakland County

Description of Organization:

Lighthouse of Oakland County helps individuals get over any hurdles they may be facing in their lives. We prevent hunger amongst thousands of Oakland County families each year through our pantry program.

Any upcoming events?

Save the date- LIGHTHOUSE HUNGER WALK will take place this year at Wisner on Caesar Chavez in Pontiac on May 7, 2016. This is a major fundraiser which helps Lighthouse to raise funds for our pantry and emergency services.

What's the biggest benefit of being a part of HPWC?

By partnering with Healthy Pontiac, we received access to extremely beneficial resources to continue helping those in need. Through this partnership, Lighthouse of Oakland County is also a Pontiac Fresh Food Share site!

What are you most proud of in Pontiac?

How much it has grown in the last few years. The city has a very bright future ahead of it.

Favorite healthy meal?

Greek salad.

Favorite exercise?

Long walks. I walk my dog every day.

Three fun things about me:

1. I have a twisted sense of humor.
2. I like short road trips. I can't do anything over 4 hours.
3. I love watching sitcoms and re-runs.
