Oakland County Sheriff
Police Athletic League (PAL)

Building Character Through Relationships, Sports & Academics

Description of Organization:

Sheriff PAL provides a wide array of youth recreation opportunities, ranging from basketball to STEM camps, at no financial cost to participants. Sheriff PAL aims to engage youth in physical activity, as well as teach the importance of hard work, conflict resolution, teamwork, and good character.

What would you like to highlight about your organization?

I would like to highlight the incredible families in our program. Their unwavering love and support of PAL is what motivates us to be the best that we can be. I would also like to highlight our wonderful staff and all those who have volunteered with PAL. Our families are the heart of our organization, and the staff and volunteers are the blood that keeps PAL's heart beating.

What are you most proud of in Pontiac?

I am most proud of residents' willingness to uplift one another.

Favorite healthy meal/snack?

Grapes!

Favorite exercise?

Running. I love how adaptable running is - one day I can focus on sprint drills, other days focus on stride and arm movements, and when I want to clear my mind I can run/jog for a few miles.

Three fun things about me:

1. My favorite movie is Coming to America.
2. I completed my first two years of college in Indiana.
3. I have a borderline (very unhealthy) obsession with Doritos.

The Sheriff PAL Program is always looking for more participants, volunteers, and donations.
