

## Partner Spotlight

# Coleman Yoakum, Founder Micah 6 Community

### Description of Organization:

Micah 6 Community focuses on community development in the city of Pontiac. We currently manage 1.5 acres of gardens and are opening Sprout Fresh Food Store, a produce store to serve the neighborhood. We recently purchased Webster Elementary (640 W. Huron) with the intention of turning it into a community center.

### Any upcoming events?

On the first Saturday of every month at 12 p.m., we host a barbecue on the playground at Webster Elementary school. We have open garden hours every Tuesday and Thursday from 10 a.m. - 3 p.m. at Webster as well.

### What's the biggest benefit of being a part of HPWC?

Through partnership with Healthy Pontiac we have gained access to great resources as well as having the opportunity to be involved in an encouraging and loving coalition that is working to create a healthier city.

### What are you most proud of in Pontiac?
